Date:

* “Local Employer” is a business, corporate entity, special district, school district, or municipality that conducts its operations primarily within the boundaries of Dolores County, Colorado, or the Telluride R1 School District

** Mortgage Prequalification Letter should attempt to satisfy the purchase price of the unit(s) you are interested in. However, please do not rule yourself out if the qualification amount is less than the purchase price. We want to attempt to work with all applicants to find funding solutions. Ultimately it may not be possible, but we can try.
